Ace High

Roll Fatter

Ace High is redefining the value flower category and demonstrating that there is a strong consumer base for Fine Cut Cannabis. Data shows that consumers are using Ace High as an add on product to extending their eighths and mix with concentrates. Available in 1/2 oz and full oz (Indica, Sativa, Hybrid) and sold by the pound, Ace High allows you to roll and bowl fatter!

Triple J

Original Mini Joints

TRIPLE Js, California's original mini joints, has been rolling since 2009. Every joint is rolled to perfection, triple checked for consistent quality, burn, and flavor, then packed in a reusable embossed tin. Each tin contains 5 grams (our Original 12-pack) or 2.5 grams (our brand new Half Stack) and conveniently fits any lifestyle and... your pocket.
